

Current Construction & System Maintenance Projects

Updated: November 7, 2025

If you have any questions, please Contact: Customer Service: (413) 536-9300

Bill Sullivan, Gas Engineer: (413) 322-1523

Vinny O'Connell, Electric Engineer: (413) 536- 9485

Please note: This is not a complete list of projects. Regularly scheduled construction activities typically take place between 7:00 am and 4:30 pm. Future Projects may be delayed or cancelled at HG&E's discretion.

Tree crews and other HG&E contract personnel will be working at various times and locations throughout the year. If there are any questions regarding tree crews and/or other contract personnel, please call (413) 536-9355.

Current Projects

Cabot St - Gas

Location	Cabot St from Canal St to Race St
Description	Gas Main and Service Upgrade
Impact	Customer's gas service will be interrupted for approximately 4-6 hours while HG&E replaces the piping from the gas main to the gas meter. Parking signs will be placed on the side of the road at the end of each day to keep the target work area open for the next morning. Throughout this project, HG&E will maintain one lane of traffic as much as possible. In order to complete the project, there will be times HG&E will have to close the road and implement a detour.
Duration	Expected completion date: 12/31/2025

George St – Electric

Location	George St
Description	Installing UG services
Impact	One lane traffic
Duration	Completion Date: 12/19/25

Race St - Gas

Location	Race St from Sargeant St to Cabot St
Description	Gas Main and Service Upgrade
Impact	Customer's gas service will be interrupted for approximately 4-6 hours while HG&E replaces the piping from the gas main to the gas meter. Parking signs will be placed on the side of the road at the end of each day to keep the target work area open for the next morning. Throughout this project, HG&E will maintain one lane of traffic as much as possible. In order to complete the project, there will be times HG&E will have to close the road and implement a detour.
Duration	Expected completion date: 12/31/2025
